The Sixteenth ANNUAL
ISI DISTRICT III
“SKATE FOR KNOWLEDGE”
COMPETITION SERIES and DISTRICT III
CHAMPIONSHIPS

The competition committee has been tracking your placements and participation in every ISI endorsed competition that was hosted in our district, this season, as well as all of the ISI national events. This tracking process will continue through the completion of the District III Championships on April 9, 2017.

Your placements and participation have been quantified and you have been awarded quality points for all of your individual and team events in all of your competitions as follows:

First Place	=	6 points
Second Place	=	5 points
Third Place	=	4 points
Fourth Place	=	3 points
Fifth Place	=	2 points
Participation	=	1 point

All of your placements and participation at the District III Championships will earn double the points listed above.

If you are a member of a team, such as a synchro or production team, that places first in an event, every member of the team will earn 6 points at a “*Skate for Knowledge*” Series event or 12 points at the District III event to be added to your personal point total.

So, why is this called the “Skate for Knowledge” Series? This is the exciting part... Since you are all not only aspiring to be great skaters, but also to attend great colleges and universities, the Metropolitan Ice Rink Manager's Association (MIRMA) wants to reward your efforts on the ice, while helping you attain your educational goals.

These scholarship prizes will be awarded as cash and will be immediately placed, upon award, as a contribution, into a 529 plan for the skater, to be released only upon enrollment and directly to an accredited institute of higher education.

All skaters wishing to participate in the 2017-2018 season, must complete the MIRMA scholarship application by May 1, 2017.

As team coach I accept the responsibility of insuring that all skaters on my team are current, 2016 - 2017 Individual or Professional members of the Ice Skating Institute (ISI) and are participating at the test level(s) currently on file with the ISI. I agree to correct any test or membership issues that may result in the pre-event national audit, prior to the start of the competition on Sunday March 26, 2017. Should any skaters on my team participating in the 2017 MIRMA ISI District # Championships prove, in the national exit audit, to either be non-members of the ISI or have skated at untested level(s), I accept that any team points accrued from their performance(s) will be deducted from the team point total, as well as a 25(twenty-five) point penalty per non-compliant skater. The participation of any Professional, as a judge representing my team who is either a Professional non-member or non-compliant in their judge's certification(s) will result in a team point penalty of 50 (fifty) points.

I agree to be available throughout the competition as team coach. I agree to make sure we have judges available to fill all of our required judging slots. I have let all of the judges know that a judging requirement takes precedence over putting a skater on the ice.
